Donations Being Accepted

Across the country and in Indiana, Personal Protective Equipment (PPE), supplies are running low. Dubois County Health Department will accept homemade face masks, along with other PPE such as surgical face masks, N95 face masks, surgical gloves, medical face shields, and exam gloves.

Full boxes of supplies are preferable, but partial boxes or individual donations are acceptable as long as the supplies are clean and unused.

Please place donations in a drop box located inside the double doors at the health department Monday through Friday 8 a.m. – 4 p.m.

Thank you for your generosity in helping keep our community safe!
