**UPDATED: COVID-19 Situation Report and Guidance**

As of April 1, at 8 a.m., there were no new positive COVID-19 cases of Dubois County residents. Dubois County currently has 3 positive cases.

Governor Holcomb Executive Order 20-14, released on March 31, orders the extension of all Indiana restaurants and bars to remain carryout/pickup only through April 6.

With the extending social distancing guidelines to at least April 30, things to remember:

- Limit your trips to the grocery store, when going, go alone, do not take children or other members of your household.
- Postpone any planned parties or gatherings
- Wash your hands, cover your mouth and nose when you sneeze or cough
- STAY HOME!

Hold yourself and others accountable for their health, your health, and the health of all of our citizens. We can get through this, but it will take everyone doing their part.
