UPDATED: COVID-19 Situation Report and Guidance

As of April 12, at 8 a.m., Dubois County Health Department has confirmed that two more positive cases of novel coronavirus (COVID-19) have been identified. This brings the total of 13 positive cases of COVID-19 in Dubois County residents.

We are working closely with Indiana State Department of Health and local officials to ensure that contacts of the patient are identified and monitored. Anyone who may have an exposure risk, has been or is being notified about potential exposures so that appropriate infection control procedures can be followed.

The cases of COVID-19 in our community remind us the vital importance of taking precautions to protect our health and safety. At no other point in time, have our decisions made such a difference in either helping or hurting others. STAY HOME. Practice social distancing and good hand hygiene. #INthistgether
