UPDATED: COVID-19 Situation Report and Guidance

As of April 16, at 8 a.m., there is a total of 14 positive COVID-19 tests among Dubois County residents.

**COVID-19 is spreading throughout the State of Indiana and everyone needs to do their part to help prevent its spread. We must protect the high-risk individuals who are most vulnerable to this highly contagious virus: the elderly, immunocompromised and chronically ill. We are responsible to protect our families, friends, and neighbors. We can make a difference.
