UPDATED: COVID-19 Situation Report and Guidance

As of May 11, at 8 a.m., Dubois County Health Department confirms that two more positive cases of novel coronavirus (COVID-19) have been identified. This brings the total to **47 positive cases** of COVID-19 in Dubois County residents.

We are working closely with Indiana State Department of Health and local officials to ensure that close contacts of the patients are identified and monitored. Everyone who may have an exposure risk to these positives cases are being notified about potential exposures so that appropriate infection control procedures can be followed. The positive cases are in isolation.

Total Positive Cases	New Positives	Recovered*	Deaths
47	2	25	0

*A person out of isolation and reporting feeling well.

It is important to remember that while you cannot control what others are doing, your own individual actions can play an important role in preventing the spread of COVID-19. Talk to your loved ones about the essential role that they can play in preventing the spread of the virus by practicing social distancing, washing hands frequently with soap and water, staying home when feeling ill, and wearing a cloth face covering when in public. #TogetherWeThrive #BackOnTrack
