Positive COVID-19 Case Investigations

This weekend, the Indiana State Department of Health (ISDH) will start assisting with case investigations of positive novel coronavirus (COVID-19) tests of Dubois County resident to perform contact tracing. Positive cases and their close contacts will be contacted by Maximus Contact Tracing Call Center. Maximus Contact Tracing Call Center will be performing all positive COVID-19 investigations in every Indiana county.

We all know there are many telephone scams that go around and want to reassure that if you receive an automated message from ISDH, it is legitimate. Individuals could receive a text, voicemail, or an email from ISDH prompting them to contact ISDH regarding “an urgent public health matter”.
