UPDATED: COVID-19 Situation Report and Guidance

As of May 25, at 8 a.m., Dubois County Health Department confirms that 4 more positive cases of novel coronavirus (COVID-19) have been identified. This brings the total to **183 positive cases** of COVID-19 in Dubois County residents.

We are working closely with Indiana State Department of Health and local officials to ensure that close contacts of the patients are identified and monitored. Everyone who may have an exposure risk to these positive cases are being notified about potential exposures so that appropriate infection control procedures can be followed. The positive cases are in isolation.

Total Positive Cases	New Positives	Recovered*	Deaths
183	4	47	2

*A person out of isolation and reporting feeling well.

Dubois County Health Department encourages all to be safe and follow the recommendations of maintaining physical distancing, wearing a face mask, washing your hands, and staying home if you are feeling ill.

Memorial Day is the time set aside to honor those members of the military that paid the ultimate price for our freedom. Together we can honor and remember those who have given everything to help give us a future.
