UPDATED: COVID-19 Situation Report and Guidance

As of May 4, at 8 a.m., there is a total of 25 positive novel coronavirus (COVID-19) tests among Dubois County residents.

Phase 2 of Governor Eric Holcomb's plan to reopen Indiana begins today. Please refer to backontrack.in.gov for complete information. Our county government does have the authority to impose stricter restrictions. Presently, the guidance provided in the Back on Track Indiana plan is appropriate for reopening Dubois County at this time. The state's as well as the county's reopening will be continuously reevaluated based on the number of cases and hospitalizations and the health care system's capacity. State officials may re-impose certain restrictions if cases spike in particular areas.

The key to advancing to each phase is everyone adhering to the recommended health safety guidelines laid out within the directive by the Governor's office. Continue to practice physical distancing, perform good hygiene, and wear a cloth face covering in public when around others. #BackOnTrack #InThisTogether
