UPDATED: COVID-19 Situation Report and Guidance

As of June 26, at 8 a.m., there are no new positive cases of novel coronavirus (COVID-19) to report in Dubois County. There has been a change regarding a previously reported case due to duplication on reporting. Therefore, the total of positive cases of COVID-19 in Dubois County residents is 255.

Total Positive Cases	New Positives	Recovered*	Deaths	Approx. Total Tested
255	0	225	6	2598

*A person out of isolation and reporting feeling well.

Dubois County Health Department knows that it is not always easy to follow the guidelines and recommendations that are given to help control the spread of COVID-19. But evidence-based research is continuing to prove that social distancing, wearing a face mask, and frequent hand hygiene is our strongest defense against this virus. Please continue to do your part to keep yourself and others healthy.
