UPDATED: COVID-19 Situation Report and Guidance

As of June 5, at 8 a.m., Dubois County Health Department confirms that 3 more positive cases of novel coronavirus (COVID-19) have been identified. This brings the total to **211 positive cases** of COVID-19 in Dubois County residents.

We are working closely with Indiana State Department of Health and local officials to ensure that close contacts of the patients are identified and monitored. Everyone who may have an exposure risk to these positive cases are being notified about potential exposures so that appropriate infection control procedures can be followed. The positive cases are in isolation.

Total Positive Cases	New Positives	Recovered*	Deaths	Approx. Total Tested

COVID-19 is continuing to spread in our community. Prevention is our strongest way to fight back against the spread of this virus to protect the health and safety of all, especially those who are most high-risk. We want to remind our community the vital importance of practice social distancing, washing hands frequently with soap and water, staying home when feeling ill, and wearing a cloth face covering when in public.
