UPDATED: COVID-19 Situation Report and Guidance

As of June 7, at 8 a.m., Dubois County Health Department confirms that 12 more positive cases and one new death of novel coronavirus (COVID-19) have been identified. This brings the total to **227 positive cases** and 4 related deaths of COVID-19 in Dubois County residents.

We are working closely with Indiana State Department of Health and local officials to ensure that close contacts of the patients are identified and monitored. Everyone who may have an exposure risk to these positive cases are being notified about potential exposures so that appropriate infection control procedures can be followed. The positive cases are in isolation.
