“It is with a heavy heart that I share the news of two additional COVID-19 related deaths within Dubois County, At this time we keep their friends and families in our thoughts and prayers, “said Dr. Ted Waflart “This serves as an unfortunate reminder to all of the Dubois County community about the importance of following the recommended guidelines to stop the spread of this virus and help protect our most vulnerable neighbors. We cannot stress enough for you all to wear a mask when around others, practicing social distancing, wash your hands frequently and if tested remain at home until you have received your results.”
