UPDATED: COVID-19 Situation Report and Guidance

As of September 14, at 8 a.m., there is 1 new death and 16 new positive cases of novel coronavirus (COVID-19) to report. That brings the total to 911 positive cases of COVID-19 in Dubois County residents.

Total Positive Cases	New Positives	Recovered*	Deaths	Approx. Total Tested
911	16	783	18	7823

*A person out of isolation and reporting feeling well.

"We mourn the death and extend our prayers and sympathies to the family and friends of this individual," said Dubois County Health Officer Dr. Ted Waflart. "This serves as an unfortunate reminder to the entire Dubois County community of the importance of following recommended guidelines to stop the spread of this virus and help protect our most vulnerable neighbors. We cannot emphasize enough for all of you to use a mask when they are around others, practicing social distancing and washing their hands frequently. "
